

**Wirral's Health & Wellbeing Board response to correspondence received from NHS England related to Wirral's Pharmaceutical Need Assessment**

Since the introduction of the Pharmaceutical Needs Assessment (PNA) the following pharmacy contractors' change is requested:

|                                                       |                             |
|-------------------------------------------------------|-----------------------------|
| <b>Date pharmaceutical needs assessment published</b> | 25 <sup>th</sup> March 2015 |
| <b>Date of Issue of Supplementary Statement</b>       | 8 <sup>th</sup> May 2015    |
| <b>Supplementary Statement Number</b>                 | 26                          |

**Type of change:**

|                               |                                                       |
|-------------------------------|-------------------------------------------------------|
| <b>Change of ownership</b>    | Yes                                                   |
| <b>Relocation</b>             |                                                       |
| <b>New Pharmacy</b>           |                                                       |
| <b>Other – Change of name</b> | Yes (amended 26/06/15 for contractor code correction) |

**Details:**

|                                                                                                                                                                                            |                                                             |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------|
| Welsh Chemist – 90 Banks Road, West Kirby, CH48 0RE <b>changed ownership to</b> Welsh's Pharmacy Limited – same address and <b>name to</b> Welsh's Pharmacy Ltd<br>Contractor Code - FE719 |                                                             |
| <b>Date of submission:</b>                                                                                                                                                                 | Received at Wirral Public Health – 8 <sup>th</sup> May 2015 |

It is the view of NHS Cheshire Warrington and Wirral Community Pharmaceutical Contracts Group that this change to the availability of pharmaceutical services is relevant to the granting of applications referred to in the NHS Act 2006 and the Group is satisfied that a revised Pharmaceutical Needs Assessment would be a disproportionate response.

**This supplementary statement to the NHS Wirral's Pharmaceutical Needs Assessment is issued in accordance with paragraph 3D (3) in Part 1A of the NHS (Pharmaceutical Services) Regulations 2005**
